Fall Workshop- ASL Teen Slang October 3<sup>rd</sup>

- Our CEU's have been pre-approved and our flyer has been posted
- Dawn Duran requested that we add a non-discrimination statement to our flyer-
  - o The statement was on the form, but we edited to make it bigger so it is more easily seen
- Fran will ask the presenters how they prefer to receive questions (in English through the chat, through an interpreter, or by having participants sign their own questions)

Spring Business Meeting

- We will host an official business meeting next Spring in conjunction with our workshop
  - o We will elect our Treasurer and Vice President
- We will research ways to vote within Zoom- Lauren mentioned CDHH has used the "Poll" feature in the past
- Fran suggested we send out all information before the meeting (including nominations, motions, action items. Etc.)
- We could also do all voting after-the-fact and send out a poll to all members to vote electronically

Mini Workshops

- Jami has submitted the CEU's for the first 3 mini-workshops and we will begin to advertise this at our October 3<sup>rd</sup> workshop

Zoom Account

- We will purchase a Zoom account to use for Board meetings and for online workshops
- Heather spoke to a representative from Zoom- he suggested we purchase the Pro Level
  - o The Zoom representative suggested we purchase it through techsoup.org to get 50% off

- We will look into the Webinar Level as well for future workshops to make it easier to run on the back end
- Fran will purchase our Zoom account and will ask if we can add Webinar for certain months
